Benefit of our program

Training from Native Trainers

Language and culture are closely related so learning from native speakers provides you with the opportunity to learn the language in its most authentic form. You will be exposed to the nuances of the language that you may not find in textbooks or language courses.

Learn the Culture & Etiquette

Our native speakers will add valuable experience that can enhance your language skills and deepen your understanding of the culture and people who speak the language.

100% Job Guarantee

You will get the opportunity to interact with prospective Japanese/Indian employers while taking the language course, providing you firsthand knowledge of where you stand.

Support for JLPT Exams

Special support for JLPT (Japanese Language Proficiency Test) during the course. JLPT is conducted by MOMBUSHO (Ministry of Education, Japan Govt) twice in a year in the month of July and December.

ABOUT JLPT JAPANESE LANGUAGE TEST

Japanese Language NAT Test is an examination that measures the Japanese language ability of students

JAPANESE LANGUAGE NAT TEST

The Japanese Language NAT Test is an examination that measures the Japanese language ability of students who are not native Japanese speakers. The tests are separated by difficulty (five levels) and general ability is measured in three categories: Grammar/Vocabulary, Listening and Reading Comprehension.

Exam Pass Criteria

- 1- Scoring more than 25% on each individual section.
- 2- Achieving an overall score that exceeds the passing score for the exam (typically around 60%)

Number of Times Held

NAT Test: Six times per year

Administration of the NAT Test

The administration of the Test is handled entirely by Administration Committee of Senmon Kyouiku Publishing Co. (Shinjuku, Tokyo, Japan). The tests are operated by the Regional Office of each country. Each Regional Office is provided technical assistance & support to operate the NAT-TEST correctly and ensure the integrity of testing.
